EPP – Drug & Alcohol Schedule Overview

PRODUCT: Workforce Management

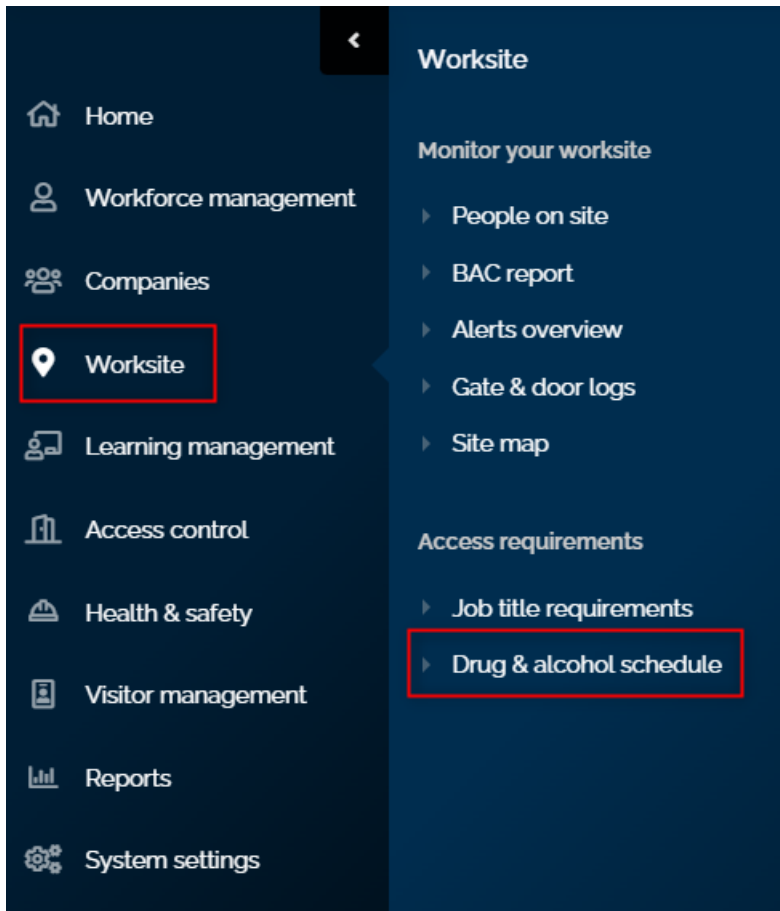

VERSION:

AUTHOR: J-pee De Guzman

APPROVED BY:

The drug and alcohol schedule page is accessed via the left side navigation menu by clicking Worksite → Access Requirements → Drug & Alcohol Schedule. This section allows users with the required permission to:

- View a list of all people currently selected for D&A tests.
- Create testing schedules.
- View testing schedules.
- Edit, delete, and view schedule history testing schedules.

The following articles will cover the drug and alcohol schedule in more detail.
