## **Step 7**

Once the enrolment has been completed, the user's name & ID number will show on the Camera's screen. And the "Successful Registration" message will show on the Damstra Terminal's screen.

## **Step 8**

The user is now able to approach this Terminal, & stand in-front of the Camera, to perform a log in / or log out. Please ensure any additional prompts are followed on the Damstra Terminal's screen.
